

This document contains information regarding transfer points on your tour.

Your departure times are specified on your tickets. The tour is self-guided.

There will be easily recognizable green signs marked Norway in a Nutshell® at key transfer points along the route.

There is free seating unless otherwise specified on your tickets.

Thank you for travelling sustainably

Norway in a Nutshell® is a sustainable tour based on low emission transportation. Enjoy the scenery, while protecting the local environment!

Have a great journey!

Round trip, Bergen - Bergen, Voss first

Bergen railway station, Strømgaten 4, 5015 Bergen

Voss Railway Station and Voss bus terminal, Stasjonsveien 5, 5700 Voss

BERGEN

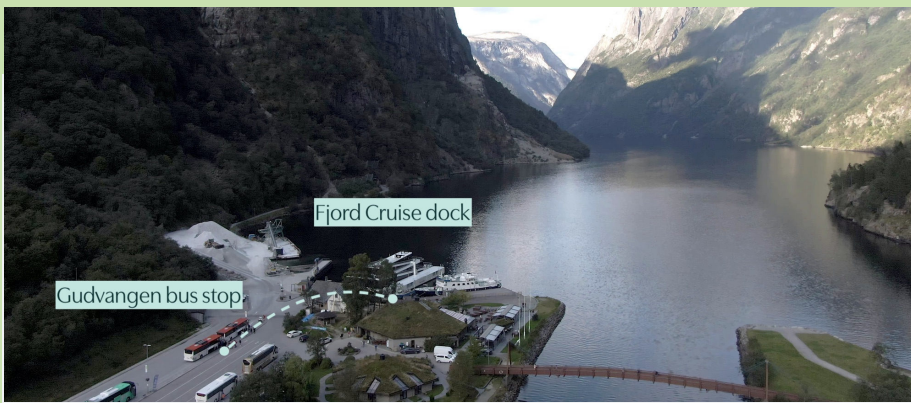

Your journey from Bergen starts at The Bergen Railway Station. The station has 4 tracks, and your departure track will be clearly indicated by notification boards and signs. The train is operated by: VY

VOSS

At Voss you change between train and bus. The bus terminal is right next to Voss Railway station. The bus is marked Norway in a nutshell® - Gudvangen and departs from platform B.

Gudvangen bus stop and fjord cruise dock.

GUDVANGEN

At Gudvangen you change between bus and electric fjord cruise. The dock is located 50 meters bus stop. The electric fjord cruise takes you on a stunning journey through the UNESCO listed Nærøyfjord. The fjord cruise is operated by: The Fjords

Flåm fjord cruise dock and Flåm railway station.

FLÅM

From Flåm, you continue on traveling on the Flåm Railway, with a brief photostop at Kjosfossen waterfall. The railway platform is located about 50 meters from the fjord cruise dock. The Flåm Railway is operated by: Flåmsbana

Myrdal railway station

MYRDAL

In Myrdal you change trains. The station only has 2 tracks so transfer is very easy. Your next train will take you back to Bergen. The train is operated by: VY

Bergen railway station, Strømgaten 4, 5015 Bergen

BERGEN

Welcome back to Bergen! You will arrive at the Bergen Railway Station in the centre of the city.
