### Whales, Puffins & Reykjavík (Part of Reykjavík Premium Whale Watching)

Standard rate

**Start time: Fri, July 03 2026 - 10:00 AM**

Passenger : 3

#### Meeting points

Ægisgarður 5D Reykjavík 101 IS

### Cancellation policy

- Cancellation fee of 100.0% is charged if cancelled 1 day(s) or less before the activity

### Thank you for booking with Whale Safari!

Your tour will start from our ticket and service centre at Ægisgarður 5D in the Reykjavík Old Harbour. **Please arrive 30 minutes prior to departure** - if you arrive later than 15 minutes prior to the departure we cannot guarantee that you can join the tour.

### Getting Here:

We are a short walk from downtown Reykjavík, so walking here is usually the best option! The Old Harbour is accessible by car, but it's a compact area with very limited parking for visitors. The closest hourly paid parking lot is located at [Geirsgata 11](#). See a map of other street parking on our webpage [here](#). **Please allow enough time to find parking to arrive at our ticket office 30 minutes prior to tour departure.**

### We kindly ask you to keep the following in mind:

- Please help us care for the environment and **show us this ticket on your phone or tablet** upon arrival instead of printing it out!
- Remember to dress appropriately & according to weather - we recommend wearing sturdy shoes complimented with hats and gloves.
- The puffins are only in season from late April to the middle of August
- The tour has an age limit of 10 years, minimum height limit of 145 CM & maximum weight limit of 140kg.
- This tour is not recommended for those with history of back problems or knee injuries.

- Even though our sighting success is high we kindly ask you to keep in mind that whales are wild animals living in their natural habitat. Sometimes we do not find whales or dolphins, and if whales or dolphins are not seen, you get a free return ticket on the "Classic Whale Watching Tour".

The weather in Iceland can change rapidly and this activity is dependent on weather. Sometimes we need to cancel tours due to winds or unfavorable sea conditions in the main whale habitat area. If that is the case we will contact you as soon as possible using the contact information provided in your booking.

*Please help us care for the environment by simply showing the staff at our ticket office this e-voucher on your phone rather than printing it out!*
